OBJECTIVE: To plan and develop physical security and security systems procedures and guidelines to ensure the safety and security of programs throughout the federal government.

EMPLOYMENT HISTORY:

Security Supervisor

11/XX — present

Employer: Commercial Development Corporation (CDC)

0000 Charles Street, Baltimore, MD 21201

Salary: \$75,000, 40 hours/week

Supervisor: Mark Bossman, (410) 555-3333, may be contacted.

Lead and supervise a security team of 26 employees across five multi-million dollar commercial and transportation projects. Strategically assess and recommend surveillance technology for critical areas. Establish policies for tracking and reporting missing inventory with CDC Accounting. To date, reduced internal thefts by 50 percent under my team direction. Applied loss prevention techniques and investigate external theft incidents with procured vendors, resulting in legal action and leading to \$1.5 million in cost-savings.

Investigative Security Specialist, GS-11

6/XX — 10/XX

Employer: Federal Emergency Management Agency (FEMA)
