

Associate-to-Bachelor (ATB) Degree Completion Option ATB 2.0: Cecil College & Towson University

General Information for the Primarily Online/Hybrid Model Summer Start

I. General Program Information

This dual enrollment option is available to eligible students who are accepted into the Cecil College Nursing Program Admission process. Admission is competitive and based on completed coursework, grade point average (GPA), professional courses (NURS 189) and the practical course (NURS 489) requirement component. Other courses are typically offered online; the availability of other course formats may vary depending on student interest and enrollment.

Disclaimer: Faculty at both Cecil College and TU reserve the right to update curriculum plans in response to criteria set forth by accreditation bodies, best practices in nursing education, and the evolving needs of the health care system. The TU plan of study may be adjusted based on course availability and student enrollment needs.

Course Format Key

The letter behind a course title indicates that it can be offered in that format. Listing of multiple formats is not a guarantee that all formats will be available in a given term. Course format availability may vary depending on department resources and enrollment needs. See 9
