partners, sites, and pertinent resources necessary for this project.

**b.** Project timeline (detailed weekly activities planned). Upload the two sections above (a and b) together in a single pdf document via the application form.

## What are the conditions of the award?

- Students are required to meet the director once they submit the grant acknowledgment form to discuss award conditions.
- Students will complete payroll paperwork with Mr. Richard Patterson <a href="mailto:rpatterson@towson.edu">rpatterson@towson.edu</a>.
- The students are expected to devote at least 300 hours to the project during the summer over a 10-week period; meet with their faculty advisor and the director during their award tenure periodically; and complete all reporting requirements which includes a submission of the final report here <a href="https://forms.office.com/r/cpeLUnufcZ">https://forms.office.com/r/cpeLUnufcZ</a> by August 31st of the
