Lead

### Important Notes About this Process

- x Roommate Group Leaders will use TUID numbers to search for and then invite up to 3 students to  
Invited students must have completed the housing application. The system will not allow anyone to invite  
student who has not completed the housing application process. If students can't find their desired  
communicate with the desired roommate directly and verify that they have completed the housing  
completed the contract and they are still unable to find each other, they should email [housing@tuva.edu](mailto:housing@tuva.edu)

## Solos, Pairs, & Groups: Introduction and Overview

See below for a short task list for each category of the Roommate/Group Formation Process:

SOLO	PAIRS	GROUPS of 3 or 4
------	-------	------------------

- |                                                                                                                                                                                                     |                                                                                                                                                                     |                                                                                                                                                                                                                                      |

## Group Sizes & Available Housing

Only rooms large enough to accommodate your roommate group will be displayed during the room selection process. They will assign the group members to their room, suite, or apartment during the room selection process as well as the [2025 Housing & Meal Plan Rates](#) in determining the size of your roommate group.

Allowable Group Sizes
